

SUB-COMMITTEE ON TECHNICAL COOPERATION  
AMONG DEVELOPING COUNTRIES

The Regional Committee,

Having considered the report of the Sub-Committee on Technical Cooperation among Developing Countries,<sup>1</sup>

1. AGREES with the recommendations contained in the report, excepting the recommendation that one of the subjects for review by the Sub-Committee in 1984 should be the public health significance of hepatitis in countries of the Region, since the subject would now form an item on the agenda of the thirty-fifth session;
2. REQUESTS the Regional Director to take the recommendations of the Sub-Committee into consideration in developing the programme of cooperation for the Region;
3. THANKS the Sub-Committee for its work.
