Corrigendum to the Summary Minutes of the Sixth Meeting

Held at the Town Hall, Saigon, on
Tuesday, 30 September 1952, at 3 p.m.

Page 4, fifth paragraph : Delete the statement of Dr. Aretas and substitute the following text :

"In the course of the discussion, Dr. Aretas considered that tuberculosis control in urban centres deserved being taken into account just as much as did malaria control in rural centres."
