

The Regional Committee

1. NOTES the projects proposed by governments in the Western Pacific Region for implementation under the Expanded Programme of Technical Assistance;

2. REITERATES its previous opinion that much benefit can be derived from inter-country programmes; and

Considering that the following projects can best be carried out on an inter-country basis:

Conference on rural health services
Nursing administration seminar
Food sanitation seminar,

3. RECOMMENDS that Member governments wishing to participate in any of the above projects should indicate their support when submitting their 1961 country submissions to the Technical Assistance Board;

4. EXPRESSES the hope that these projects will be approved by the Technical Assistance Board and Technical Assistance Committee; and

5. REQUESTS the Regional Director to draw the attention of

the Director-General to the importance attached by the Committee to the benefit which can be derived from inter-country programmes.
