

The Regional Committee,

Having considered the report of the Sub-Committee on the General Programme of Work;

Recalling resolution WPR/RC32.R5 by which it accepted the plan of action for monitoring and evaluating implementation of the Regional Strategy for Health for All by the Year 2000;

Recalling also resolution WPR/RC34.R12 urging Member States to initiate activities relevant to the development of mechanisms and procedures for evaluating in 1985 the effectiveness of national health-for-all strategies;

Noting resolution WHA37.17 urging Member States to accord the highest priority to and assume full responsibility for the continuing monitoring and evaluation of their strategies;

1. THANKS the Sub-Committee on the General Programme of Work for reviewing in detail the questions contained in the Common Framework and Format for Evaluating the Strategies for Health for All, and for preparing the supplementary information document intended to assist Member States in answering them;
2. ACCEPTS the proposed Common Framework and Format for evaluating the strategies, together with its appendix;
3. REQUESTS Member States to use the Common Framework and Format as the basis for evaluating their national health-for-all strategies and for preparing the progress report to the Regional Director due in March 1985;
4. REQUESTS the Regional Director:
 - (1) to provide the necessary support to Member States in the preparation of their reports;
 - (2) to prepare a regional synthesis of the reports, to be submitted to the Regional Committee at its thirty-sixth session.
