REGионаl strategy for the achievement of health for all by the year 2000

Report of the Sub-Committee of the Regional Committee on the General Programme of Work

Part II

Corrigendum

Annex 2: Report on regional policies and strategies for health for all by the year 2000

The Sub-Committee on the General Programme of Work, at its meeting on 8 September 1980, recommended the following changes in the report on regional policies and strategies for health for all by the year 2000:

Page 39, Section 9.1 (3), to read:

"To implement the new holistic approach to development, changes may be required ............".

Page 42, Section 9.4.1 (a) to read:

"approach heads of state and other national authorities to take the necessary steps to ensure that the goal of health/2000 is attained;"
