

The Regional Committee,

Having considered the report of the Regional Director setting out the details of the contingency plan for programme budget implementation reductions for 1988-1989,<sup>1</sup>

1. TAKES NOTE of the contingency plan for programme budget implementation reductions for 1988-1989;
2. EXPRESSES its concern about the adverse effects of the contingency plan, if implemented, on WHO's cooperation with Member States in support of their strategies for health for all.

Ninth meeting, 14 September 1987
