

The Regional Committee,

Having considered the report of the Western Pacific Advisory Committee on Health Research (WPACHR) which reviewed the research proposals submitted by candidates nominated by Member States for the Jacques Parisot Foundation Fellowship,<sup>1</sup>

1. **ENDORSES** the assessments made by the WPACHR;
2. **RECOMMENDS** that the Foundation Committee should consider the following proposals, listed in order of merit, for the award:
  - (1) Health behaviour and health status of the elderly: Zheng Qingsi;
  - (2) Effectiveness of continuing medical education in general practice management of anxiety neurosis: Sharifah Hapsah Shahabudin;
  - (3) Study of hip fractures in the elderly: Lau Ming Chu.
