

REGIONAL COMMITTEE

WP/RC3/8

Third Session
Saigon
25th to 30th September 1952

TIME AND PLACE OF NEXT TWO REGIONAL COMMITTEE MEETINGS

The Regional Director has the honour to transmit to the Third Session of the Regional Committee for the Western Pacific, the following relevant excerpt from a communication received from the Director-General of the World Health Organization concerning Regional Committee Meetings dated 16th June, 1952.

" No allocation is given to the Regional Directors for this purpose as estimates will be prepared by Headquarters. However, the fact that the places of Regional Committee Meetings are not known when the programme and Budget Estimates are prepared has, in past years, created difficulties in making adequate provision in the relevant Appropriation Section. In order to avoid this situation in 1954 and future years, you are requested to urge the Regional Committee to decide on the place of meeting, not only for 1953 but also for 1954, with an alternative place if thought desirable. If this was done, the places of meetings in the future could then be decided upon by the Regional Committee two years in advance. "

It is for the Regional Committee to take a decision with regard to this request.
