

PROGRAMME PLANNING IN CONNECTION WITH SHORT-TERM
CONSULTANTSHIPS

The Regional Committee,

Realizing the importance of well-prepared planning in connection with short-term consultantships,

1. DRAWS the attention of governments:

(1) to the importance of providing the Organization with fully documented information covering the terms of reference of the consultant and the problems involved;

(2) to the value of making appropriate arrangements in advance and providing a counterpart to assist the visiting consultant; and

2. REQUESTS the Regional Director to ensure that short-term consultants receive all available background information prior to their assignment.
