

The Regional Committee,

Having considered the modifications made in the Regular Programme for 1958, which became necessary as a result of the decision of the Tenth World Health Assembly to establish an effective working budget for that year at an amount less than that requested by the Director-General,

APPROVES the action taken by the Regional Director in modifying the programme for 1958 to bring it within the resources available.

Fourth Meeting, 9 September 1957  
WP/RC8/Min/4
