

The Regional Committee

- I
1. NOTES the report on the Technical Discussions;¹
 2. EXPRESSES its appreciation to Dr Le-Cuu-Truong for having so ably served as Chairman, and to the other experts who served as members of the Panel;

II Having considered the topics proposed for the Technical Discussions in 1964,²

DECIDES that the subject shall be "The use of statistics in public health administration".

WPR Handb. Res., 4th ed., 5.5.2(11) Fifth meeting, 10 September 1963
