Provisional agenda item 18

COSTS OF MEETINGS OF THE REGIONAL COMMITTEE

Report by the Regional Director

1 The Regional Committee in its resolution WPR/RC21.R14 adopted on 8 September 1970 inter alia noted "that only in the Western Pacific Region is the host government required to meet the additional cost of holding Regional Committee sessions outside of the regional headquarters" and requested "the Regional Director to place an item on 'Costs of meetings of the Regional Committee' on the agenda of the twenty-second session of the Committee".

2 The Constitution of the World Health Organization, Article 49, provides that "Regional Committees shall adopt their own rules of procedure". The Rules of Procedure of the Regional Committee for the Western Pacific provide that the Committee "shall determine at each regular session the time and place of its next regular session" (RULE 4). The Regional Committee in its resolution WPR/RC19.R4, adopted in October 1968, reaffirmed "the principle enunciated in its resolution WPR/RC4.R3 (September 1953) that extra expenses over and above those normally incurred when the regional committee meetings are held at regional headquarters must be borne by the host government".
