

The Regional Committee,

Having considered the information provided by the Regional Director on the action taken in connexion with resolution WPR/RC23.R5 on the above subject,

Having recognized that inter-agency consultation is taking place on measures to minimize health hazards from drinking water on international flights;

URGES the Director-General to bring to the attention of Member States:

- (1) the importance of maintaining WHO standards for potable water on airlines, and
- (2) the need to establish means to enforce these standards.
