**SPECIAL PROGRAMME OF RESEARCH, DEVELOPMENT
AND RESEARCH TRAINING IN HUMAN REPRODUCTION:
MEMBERSHIP OF THE POLICY AND
COORDINATION COMMITTEE**

The Policy and Coordination Committee (PCC) is the governing body of the Special Programme of Research, Development and Research Training in Human Reproduction. It has a total of 32 members, in four categories. Category 2 membership is composed of 14 Member States elected by the WHO regional committees for three-year terms. Under this category, the Western Pacific Region has been allocated three members. The term of one Member State, Papua New Guinea, will expire on 31 December 2003. The Regional Committee is requested to elect one Member State to represent the Region under Category 2, for a three-year term effective 1 January 2004.

The structure and functions of the Policy and Coordination Committee are defined in Annex 1.

There are 32 members in four categories, as follows:

- (1) Category 1 (largest financial contributors) is composed of 11 government representatives from the countries that were the largest financial contributors to the Special Programme in the previous biennium.
- (2) Category 2 (countries elected by the WHO regional committees) is composed of 14 government representatives from Member States elected by the WHO regional committees for three-year terms according to population distribution and regional needs. (In electing members, the regional committees are asked to take into account a country's financial and/or technical support to the Special Programme as well as its interest in the fields of family planning, research and development in human reproduction and fertility regulation, as demonstrated by national policies and programmes. The Western Pacific Region has been allocated three members.)
- (3) Category 3 (other interested Cooperating Parties) is composed of two members elected by PCC for three-year terms from the remaining Cooperating Parties.
- (4) Category 4 (Permanent Members) is composed of the Co-sponsors of the Special Programme (i.e. UNDP, UNFPA, WHO and IBRD) and the International Planned Parenthood Federation (IPPF).

Members of PCC under categories 2 and 3 may be re-elected.

In 2003, the status of Member States from the Western Pacific Region elected by the Regional Committee under Category 2, is as follows:

| Member | Year elected | Term of office |
|------------------|---------------------|-----------------------------------|
| Papua New Guinea | 2000 | 1 January 2001 – 31 December 2003 |
| Viet Nam | 2001 | 1 January 2002 – 31 December 2004 |
| Fiji | 2002 | 1 January 2003 – 31 December 2005 |

The terms of past and present Member States from the Western Pacific Region under Category 2, from 1986 onwards, are shown in Annex 2.

It will be noted that the term of Papua New Guinea will expire on 31 December 2003. In order to fill this vacancy under Category 2, it will be necessary for the Regional Committee to elect, at its fifty-fourth session, one Member State from the Western Pacific Region, for the period 1 January 2004–31 December 2006.

The Regional Committee is thus requested to elect one Member State under Category 2 for a three-year term, effective 1 January 2004.
